

Product Specification Sheet

Targus 15.4" Revolution Universal Laptop Case

Part #: TTL500

Product Description:

The Revolution Universal Notebook Case is designed for notebooks with up to 15.4" screens. This case includes an additional notebook or projector section. Top-loading convenience makes it easy to get into and out of the notebook section and the patented SafePORT® Air Cushion System provides extra security for your notebook. Other features include an ergonomic form-fitting shoulder strap that evenly distributes the weight of the case over your shoulder for added comfort. A dual file folder is also included and a zip-down workstation with pockets for accessories, business cards, pens, pencil and more.

Product Features and Specifications:
